PF7+ and PF7(QC14) ancillary device compatibility guide

Compatibility of attached accessories for PF7+ and PF7 (QC14) are represented using the following icon scheme in the pump HMI:

	Printer	Balance	USB memory stick	Keyboard
Compatibility verified accessories (white icon)				
Compatibility unverified accessories (grey icon)				
Unsupported accessory (red USB icon)				

Verified devices (White Icons)

The following products will be indicated as the corresponding white “verified” compatible accessory icon in the pump HMI (Verified compatible means Flexicon assumes the risk for the accessories compatibility.):

Printer		Epson TM-T88IV Epson TM-T88VI Bixolon SRP-350III
Balance		Mettler Toledo ML-T (104, 204 versions) Mettler-Toledo MR Series Mettler Toledo MX Series
